The East Wake Football League (EWFL) is committed to ensuring a positive youth football experience and sharing a long history of competitive youth football in the seven (7) county area. Due to the growing concerns about COVID-19 the Board of Directors of the East Wake Football League has decided to postpone the 2020 Tackle Football and Cheer season.

The COVID-19 pandemic has presented health and safety concerns that in our opinion make it difficult to have a season and keep players, coaches, and families safe.

As an alternative, the Board will begin to design a Spring football season for our teams that would begin in early 2021. We will share more information as plans develop.

“The safety of the athletes are our first priority and we will follow the guidance of the CDC and the State of North Carolina as we think about the next steps of our League” says Jeff Clark, League Commissioner.

About the Wake Football League: The EWFL is a North Carolina 501(c)(3) non-profit organization dedicated to youth football in North Carolina. The EWFL is an independent league that currently consists of 18 affiliated organizations with three (3) team divisions each from 6 to **14** years in age. The EWFL has served the youth football community for over 50 years. More information may be found at www.ewfl-football.com.
